EDUCATIONAL COMMUNICATIONS DIVISION
RADIO HALL
MADISON, WISCONSIN 53706

Radio Station WLBL
Auburndale, Wis.
17th October 1971

Mr. Earnest Wesolowski
1416 Pasadena Ave.
Omaha, Nebraska

Dear Sir:

Yes, I am pleased to verify your reception of the WLBL sign off announcement at approximately 1815 hours CDST 14 October 1971 on, of course, 930 KHz.

We do not have a coverage map available for even our own use at this moment but I took the liberty of enclosing one of the October program bulletins and hope it will be interesting to you.

WLBL is the 2nd oldest of the various AM and FM stations of the Wisconsin State Radio Network, being slightly past the first half of the 49th year. 50th anniversay date is 5th February 1973.

Thank you for your report.

Yours truly,

Vern Alpine

Vernon R. Alpine, Transmitter Engineer
